CHEMICAL PRODUCTS SUPPLY MONOPOLIES ASSIGNED;
TIENTSIN ALCOHOL PLANT INCREASES PRODUCTION QUOTA

VARIOUS COMPANIES TO MARKET CHEMICAL PRODUCTS -- Tientsin, Ta Kung Pao,
24 Oct 53

The entire output of the following dye plants in Tientsin will be marketed by the Tientsin Purchase and Supply Office of the China Chemical Supply Company: T'ung-feng, Tung'sheng, Tzu-hsing, Ching-t'ai, Chi-pei, and Chung-jan plants.

Tientsin, Ta Kung Pao, 17 Oct 53

Beginning 15 October 1953, the Chinese Industrial Chemical Supply Company will market all products of the Peiping Yung-feng Chemical Plant.

Tientsin, Ta Kung Pao, 13 Oct 53

Beginning 1 October 1953, the Shanghai T'ien-p'ing Chemical Drug Plant's entire output of Fu-li stomach pills will be marketed through the Chinese Drug Company's Purchase and Supply Office in Shanghai, and not sold directly by the plant.

PLAN FOR OPERATIONAL SAVINGS -- Tientsin, Ta Kung Pao, 8 Oct 53

The state-operated Tientsin Alcohol Plant has increased its [annual?] production plan by 601.05 tons (the third and fourth quarter quotas have been raised by 500 tons). This will result in a total gain of over 14,200,000,000 yuan, including a 11,600,000,000-yuan increase in total profit, a 1,600,000,000-yuan drop in costs, and 900 million-yuan saving in circulating capital.
